12. (Unclassified - LLM) [redacted] FBIS, called to report a constituent request the Department of Commerce had received from the office of Representative H. R. Gross (R., Iowa) for copies of the supplement covering the 23rd CPSU Congress. Miss Crabill advised that a copy of this material is maintained by the Library of Congress but that FBIS does not have it on hand, and said she will advise Commerce of this and offer our good offices to close out this inquiry with the office of Representative Gross.

13. (Unclassified - LLM) Ray McRae, Minority Counsel, Subcommittee on Intergovernmental Relations, Senate Government Operations Committee, returned my call of the other day on S. 3529, Federal Advisory Committee, and said that the former General Counsel, Winslow Turner, felt that our proposed letter to Senator McClellan was fine and that we should be able to get the requested exemption from the legislation.
